# Find the Unexpected on the **Palisades Scenic Byway**

*This is my happy spot.  
It's a peaceful, quiet  
nature sanctuary.*

*The lookout spots located on top  
of the cliffs were just spectacular.  
I don't know where else I'd get such  
great locations for birdwatching.*

*My family spent the whole day  
exploring the byway. I was taken aback  
by the history of the area, while my  
kids were excited to hike the trails.*

What will you find  
on **your** byway adventure?
